Reference: C00422964, 30 Day Post-Special Report (5/29/08 - 7/7/08)

This letter is in response to your request for additional information regarding the above referenced report submitted by the Donna Edwards for Congress Campaign Committee. The notice specifically requests additional information on the following 2 items:

(1) Disclosure of one or more contributions that appear to exceed the limits set forth in the Act. The two contributions in question are as follows:

AMERIPAC	4/10/2008	\$5,000.00	G2008
AMERIPAC: THE FUND FOR A GREATER AMERICA	6/18/2008	\$5,000.00	G2008

Our review of this issue determined that both contributions are within the limits given that \$5,000 could be contributed towards each of the elections active for this reporting period (Special General and the 2008 General). It appears that there was a breach of the limit because the contribution captured on 6/18/2008, which was actually intended for the Special General Election, was inadvertently designated for the 2008 General Election in the 30 Day Post-Special Report. An amended report will be submitted to correct the error. During our review of this issue, we also discovered that the contribution captured on 4/10/2008 was erroneously attributed to the wrong committee (C00348920 vice C00271338) in the 12 Day Pre-Special Report. An amendment to this report will also be forthcoming to correct the error.

(2) A Post-Election Detailed Summary Page was filed with the dates of 11/5/08 - 7/7/08. We acknowledge that our report was filed with the wrong dates due to a clerical data entry error. We will submit an amended report to reflect the correct dates of 6/18/08 - 7/7/08.

I hope this offers sufficient explanation for your records. If you have additional questions regarding this matter, please do not hesitate to contact me.

Regards,

Janice Edwards, Treasurer
